GE Course		Scientific Inquiry		Taking one course per semester is	

Full-time students finish in 2 years; part-time students finish in 3 years. Recommend students take Winter and Summer courses to complete a degree in 2 years. Be aware; some courses may only be offered once a year; check course availability. Be sure to consider career and degree goals when choosing general education courses (for example, a career in Finance may benefit from additional math-based courses. A career in Marketing may benefit from additional Art or Communication courses), please consult with a counselor to review your best general education options based on your educational goals, as course preferences may vary depending on your career objectives.

Students are encouraged to also reach out to their business instructor or the Business Administration department to seek guidance regarding careers and transfer opportunities.

The Associate in Science in Business Administration for Transfer (AS-T) degree meets the lower division course requirements necessary for the
