

EC 76355
Title 5, C.C.R., 54702

If physical examinations are required, the College President will be responsible for providing for required physical examinations of students. Such examinations shall be conducted to ensure adequate privacy and physical comfort of the students and proper confidentiality in connection with any defect or ailment noted.

EC 76401, 76403

A minor may be exempt from emergency medical treatment upon the filing by the parent or guardian of a signed statement, annually, stating that such parent or guardian does not consent to such emergency medical treatment. The student may, however, be excluded from school attendance whenever there is a good reason to believe that such student is suffering from a recognized contagious or infectious disease, and may not be permitted to return to school until such disease has ceased to exist.

EC 76020, 76401, 76403, 76407

Basic first-aid and emergency-care shall be provided for sickness and occurring on school premises or while students and employees are engaged in school activities.
