

Non ELA Employee or student emergency text notification system.

If you are a non ELA Employee or student you can register to receive text messages in situations of imminent danger

To register for the Emergency Text Notification please follow the instructions EmpAdm@F29BC.3T6ployeeet.instruc003>Tj/TT4 1 Tf .2245gj /TT4 1 Tf .2295 0 T

STEP 3 – You will receive an email from Blackboard Connect to confirm your activation.

STEP 4 – Please complete the security questions in case you forget your password, you can log back into the system. Once you complete this you will receive a confirmation page, a link to redirect you to enter your username and password.

Login with your account

STEP 5 – You have an option to enter your address, email, and phone number. You will have to enter your mobile phone number in order to receive the text messages (Click on Add Phone). Select either if you would like to receive the message via voice, text, or email.
