INTER-CLUB COUNCIL

2022-2023 Academic Year

What is a Chartered Club?

A club is a group of students that organize for a common theme, idea, or goal. In some cases, clubs promote their interests through campus activities, community service, and social events.

The *advantages* of becoming a chartered campus club are that the organization

Suggestions for Developing a Club Constitution

The club constitution must reflect a democratic plan for the club's decision-making process.

The constitution should contain all the Articles in the recommended outline format. In addition, each club may include Articles and Sections as needed (i.e. Executive Board or Committees).

The club constitution must be typed (try keeping a typable electronic copy for ease in making changes)

CONSTITUTION OF THE ___ CLUB

ARTICLE I

ARTICLE VIII

RATIFICATION

Section 1. This constitution shall become effective upon approval of the East Los Angeles ASU Board.
